NOW THRU JUNE 30TH 2023

**MICROBAN**

THE ONLY RESIDENTIAL CARPET WITH  
MICROBAN® PROTECTION.

Phenix Flooring is proud to be the exclusive provider of polyester and nylon carpet products with built-in Microban® antimicrobial product protection.

ADDED MICROBAN PROTECTION MEANS YOU CAN WORRY LESS AND LIVE MORE.

Surfaces treated with Microban technology remain 99% cleaner from the growth of bacteria and odors than untreated surfaces.

Microban technology protects 24/7 against the growth of bacteria, mold and mildew that can cause stains, odors and product deterioration.
